

LOCALLY SPEAKING

LOWER KING & BAYONET HEAD PROGRESS ASSOCIATION
NEWSLETTER: NOVEMBER 2017

LAST MEETING HIGHLIGHTS:

Guest Speaker was David King, manager Albany city engineering, who spoke about the Council marine and boating plan, especially as pertaining to the facilities at Lower King.

This was followed by the Annual General Meeting where all present office bearers were re-elected. Since the meeting we have received a nomination from Kylie Freer as a new committee member, she will be a great asset to our committee and Association.

NEXT MEETING:

MONDAY 20th NOVEMBER, Gomm Park Hall, Lower King. Guest Speaker 6.30, Meeting 7pm

Are you missing out?

We have excellent guest speakers programmed at each meeting and best of all the service is free.

GUEST SPEAKER FOR 20th November:

Brendan Gordon, Community Services manager for the City of Albany, will speak about preparedness for the coming fire season. This includes steps we can all take to be prepared and reduce risk, also evacuation procedures should this become necessary, and this would include having an emergency kit that could be at hand containing essentials - given that it may not be possible to return to your home for some time.

This is a very timely opportunity for us to be prepared and updated. We have seen the horrific effects of fires in different parts of Australia including our own state as well as overseas. Our best defense is to be prepared, and knowledgeable about our local area and FESA procedures.

The LK&BHPA has recently made a \$200 donation to our local King River Volunteer Fire Brigade, to help those brave volunteers to keep us all safe.

NEWSLETTER DISTRIBUTION

as announced in the last newsletter, this is the first newsletter that we have produced that will not be hand delivered. We are in the process of officially recognising our loyal distributors that have done such a great job over the years. As a reminder, pickup points for the printed newsletter are: Lower King Store, Bayonet Head newsagent in the shopping centre, Oyster Harbour store and Lower King Retirement Village (residents only).

Current and past newsletters can be downloaded from the website.

Please let the Editor know if you would like an email copy, through his e-mail address below.

We ask all residents to continue to support your community organization, and also to attend our meetings which we try to make interesting and informative for you all.

DEFIBRILLATOR

The LK&BHPA has just made a substantial donation towards the purchase of a defibrillator for use in case of emergency.

The defibrillator will be based at [Lower King Store](#), as this is open almost every day of the year from **7am to 7pm**, and so the unit will be available to the public for the maximum amount of time.

LOCAL BUSINESS FOCUS - OYSTER HARBOUR STORE

The store is a little gem that many people may not be aware of, on the junction of Lower King and Bayonet Head roads. It provides friendly service, with a fuel outlet, a great selection of takeaway food and grocery items, and a liquor section.

Further, Oyster Harbour Store has a loyalty program called **Harbour Club**, which provides discounts on fuel, Brumby bread, and eggs, and many other grocery items and liquor specials.

Manager **Mark Cuzens** has run the business for 20 years, and provides a personal and friendly service to give customers what they want in a local convenience store.

Their Facebook page <https://www.facebook.com/OysterHarbourStore/> provides further details.
