### **NEXT GENERAL MEETING**

The March meeting as above on the 11<sup>th</sup> will be an important one and we are urging members and residents to come to this meeting to support the Association and also to share their ideas. This is a year when we are looking to see what the future of the Association is. We firmly believe there is a continuing role for our community Association and for this to happen we need member and resident support and new ways to make the Association effective and in line with what members and residents can input to see what we can do to continue the development and betterment of our areas.

**The** development continues Oyster Harbour although slower now than previous tracts of land that have been opened. Bayonet Head and Oyster Harbour are listed by the real estate institute as the fastest-growing residential areas within the city.

### **We also need additional members to serve on our committee.**

our past two treasurers Naomi Robinson and Kylie Freer have had to resign and currently Richard Duffield also acting as Treasurer. We are grateful for the contribution that Naomi and Kylie have made to the Association.

**Please show your support and interest in continuing the work of the Association by attending the March meeting.**
