Lower King & Bayonet Head Progress Association was started in 1958 as housing development progressed in the area. A volunteer committee was formed and volunteers are still involved in this work today.

Over the years the Association has been an advocate for local residents in matters relating to both local and state government and has held bi-monthly meetings to facilitate this service.

Attendance at these meetings has been in decline recently and the schedule has been changed to quarterly meetings, held in the afternoon instead of the evening, but still the attendance did not improve.

Instead of meetings, the future focus of LKBHPA will be on local community events to promote local facilities and provide an opportunity for community members to get together, discuss any local concerns and meet their neighbours. LKBHPA will continue to advocate on behalf of members with local concerns as these arise at community events or on the website -www.lowerkingbayonethead.weebly.com

Part of this change will be that the annual membership fees will now fall due on 30 June each year. Membership fees will stay at \$10 single and \$15 family. These fees will cover any costs involved in community events, such as hall hire and other small costs.
